UK WEEE Regulations (SI2006/3289 Waste Electrical and Electronic Equipment Regulations 2006 as modified by any subsequent legislation).

Future WEEE

Cater-Bake UK Ltd sells its products either retaining the producer's obligations under the WEEE regulations or with the customer taking on the responsibilities. In either case the customer must clearly state, in writing with order, which option he/she requires, the instruction will then be confirmed on the Cater-Bake UK Ltd invoice. If no instruction is given with order, then the responsibilities will pass to the customer. The customer accepts to disclose the details of this agreement to any subsequent purchaser of the equipment, as stated by the regulations.

Historic WEEE

The purchaser agrees to absolve Cater-Bake UK Ltd from its obligations under the UK WEEE regulations which require Cater-Bake UK Ltd to be responsible for financing the collection, treatment, recovery and environmentally sound disposal of any product supplied before 13th August 2005, where a similar new product is being purchased.

Cater-Bake UK Ltd will undertake the collection, treatment, recovery and environmentally sound disposal of any product supplied before 13th August 2005 (or outside the scope of WEEE regulations) subject to payment of its current disposal fees.
